MEMORANDUM FOR: Director, Office of Planning, Programming and Budgeting

SUBJECT : Advancing of Funds for Interim Activation of Approved Projects

REFERENCE : [REDACTED]

1. I have approved the attached request for obligation authority for proposed Project [REDACTED] at the rate of one-twelfth of the proposed [REDACTED] budget under authority of [REDACTED]. However, it occurs to me that the Director, PPB might have an interest in these actions, and in fact, probably should concur in them before they are approved.

2. This authority relates somewhat to the Agency's budgeting and programming activities. [REDACTED] placed responsibility with DD/S since budgeting was at that time part of the Comptroller's Office and under DD/S. However, since Agency budgeting and programming are no longer responsibilities of the Support Directorate, it would seem that Director, PPB should participate in the authorization of these advances.

3. Your views in this regard are solicited.
